TECHNICAL INFORMATION

For all event requirements please refer to the Skate Canada Northern Ontario 2009-2010 Generic Technical Package as posted on the SCNO website www.scno.net and the Skate Canada technical handbook. All events **MUST** follow the Well Balanced Program criteria.

There will be separate flights for men and women in the free skate and competitive events.

Male and female skaters will compete against each other in the interpretive events.

Flights will be divided by age as much as possible. Where possible, skaters from the same club will be placed in different flights.

Competitors shall have met the test requirements by the closing date of the competition. Competitors may skate up one category and must enter the STARSkate or Competitive singles events – NOT BOTH.

All STARSkate events will be judged using the OBO one-by-one system. Competitive events will be judged using the CPC system.

COMPETITIVE EVENTS

Singles Short and Free Skate will be skated as separate categories. Short program requirements to be skated are those for NEXT SEASON as set out in the Skate Canada rule book.

PLANNED PROGRAM CONTENT

A Planned Program Content Sheet must be sent with entry forms. If the program changes you can hand in your new PPC when you register at the event. Forms are available on the SCNO website.

MUSIC

Music must be registered at least one hour prior to the event. Each competitor must hand in two copies of their music either on CD or on cassette or any combination thereof. All music should be clearly marked with the competitor's name, the event and indicate which one is the master and which is the copy.

AWARDS

Medals will be presented to the top three in each final event.

Deegan's Memorial Trophy will be awarded to the club scoring the highest points at the end of the competition. The antique skate is no longer given out but an engraved plaque is presented.

MISCELLANEOUS

Competitors are advised to arrive at Memorial Gardens one hour prior to their scheduled event time.

All coaches must wear their current Coaches Identification at all times.

ENTRY FORMS/DEADLINES
