

**Categories to be skated at the 2011 Trillium STARSkate Championships
and the 2011 Trillium Cup hosted by Skate Canada - Central Ontario
in Port Credit, Ontario on March 11, 12 and 13, 2011.**

At the 2010 Skate Ontario Annual and Planning Meeting the following decisions were approved affecting the categories to be skated at this season's Skate Ontario events:

- 1 The three top placements in all eligible categories will qualify to skate in the Provincial events.
- 2 The **Pre-Preliminary** and **Preliminary Singles** and **Preliminary Dance** categories **will NOT be included**.
- 3 All **Triathlon** categories **will be skated** however the **Biathlon will NOT** be included.
- 4 The **PRE-JUVENILE categories** will now become part of the Trillium STARSkate Championships. The Sections will determine which event in the respective Section will become the qualifier.
- 5 The qualifiers at the 2011 BMO Sectional events in Juvenile Singles, Dance and Pairs, Pre-Novice and Novice Singles will make up the categories to be skated at the 2011 Trillium Cup.
- 6 Synchronized Skating will not be included at this time, however it is planned to continue to offer Synchro (Pre-Novice category) at the 2012 Ontario Winter Games.
- 7 All categories will be judged using the CPC method.

Subject: Changes at Section Qualifying Competitions

As a result of changes recently announced by Skate Ontario to categories to be skated at 2011 Trillium STARSkate Championships and the 2011 Trillium Cup, there will be some modifications to events this season in the Northern Ontario Section. The following lists the changes to qualifying events based on these approved revisions to Trillium STARSkate and Trillium Cup.

1. We will continue to offer Pre-Preliminary and Preliminary events at Festival of STARS as a **non-qualifying** event.
2. The top three entries from each Triathlon category at Festival of STARS will qualify for Trillium STARSkate.
3. Pre-Juvenile skaters will qualify for Trillium STARSkate in the following manner in Northern Ontario:

The skater's score at Sectionals will be factored by 35% and the score at Festival of STARS will be factored by 65%. The results will be added together to determine a total score. The top three skaters (combined scores) will qualify for Trillium STARSkate. It is NOT mandatory to attend Sectionals and Festival of STARS, however, it is strongly encouraged. If a skater only attends one competition they will still be factored as above and receive '0' for the event not attended.

If there are any questions about the changes, please contact me at championship@scno.net.
